1. THE SOUTHWEST AREA SERVICE COMMITTEE (ASC)

1.1 Suggested Guidelines

It is important to understand that these guidelines are not to be used as hard and fast rules or laws but rather as suggested guidelines, taken from our shared experiences. We recognize that the ultimate authority in the Southwest Area Service Committee is, "A loving God as he may express himself in our group conscience."

1.2 Definition

The Southwest Area Service Committee (ASC), a part of the California Inland Region (CIRNA), is a group of elected representatives of Narcotics Anonymous Groups, whose aim is to facilitate ways of, "Carrying the message to the addict who still suffers."

1.3 Purpose

The purpose of the Southwest Area Service Committee (ASC) shall be the administration and coordination of Narcotics Anonymous business and activities common to the various groups comprising its membership. Its aim is the furthering of the Narcotics Anonymous message in accordance with the 12 Traditions and 12 Concepts for Service of Narcotics Anonymous, "That no addict seeking recovery need ever die..."

NOTE: Specifically excluded from the objectives of the ASC is the operation or promotion of any club, clubhouse, detox center, or related facilities; and the endorsement of any public or private projects on addiction or drug abuse as outlined in Tradition Six.

1.4 Boundaries

At this time, the geographical area serviced by this committee is bounded on the south by the San Diego County Line, in the West by the Orange County line, in the North by the Orange County line to Cajalco Road, East to Ramona Expressway, East to Highway 79, North to I-10, East to Highway 243 including the Morongo Reservation, and in the East by Highway 243 south to Highway 74 to Pine Meadow. (See Appendix 1 for a Map of Southwest Area Boundaries.)

1.5 Functions of the ASC

- A.** The communication of information to and from NA Groups through a Group Service Representative (GSR).
- B.** The distribution of NA literature.
- C.** The administration and maintenance of a 24-hour NA phone line.
- D.** To carry the message of NA through the Public Information Relations Subcommittee in accordance with the 11th Tradition.
- E.** To conduct a monthly business meeting.
- F.** To provide a Regional Committee Member (RCM) for active participation in the monthly CIRNA committee meetings.
- G.** To provide an Activities Subcommittee for planning and implementation of social functions for the Southwest Area NA fellowship as a fundraising body.
- H.** To provide a post office box for the Southwest Area.
- I.** To plan and administer a Hospitals and Institutions (H&I) Subcommittee.
- J.** To Provide an Outreach Subcommittee to help new and struggling groups learn to help themselves.
- K.** To provide a Convention Committee Representative to attend CIRNA Convention Committee meetings.
- L.** Provide a location for the yearly CIRNA Regional Meeting hosted by Southwest Area.

2. ASC MEMBERS:

The ASC is comprised of GSRs from the Southwest Area Groups. ASC officers and trusted servants are elected by the GSRs. The ASC shall be limited to NA members only. **Election to the ASC should be as stated in the following sections.**

2.1 Group Service Representative (GSR)

In order to have a vote at ASC meetings, a meeting must be in existence for sixty (60) days of weekly, continuous meetings. During those 60 days, its GSR attends two consecutive ASC meetings and becomes eligible to vote at the second ASC meeting.

It is suggested that each Group (meeting) hold elections for one GSR and one GSR Alternate on a yearly basis. The GSR Alternate shall fill in for the GSR if the GSR is absent or cannot complete their term in office. No GSR may represent more than one Group at a time in the Southwest Area.

The GSR speaks for their Group at ASC meetings and takes part in the planning and implementation of any functions which affect the members of their group. As a result of participation, the GSR will keep the group informed about what is happening in NA. A group member should always be able to go to the GSR and find out about activities, other groups, how the service structure of NA works, the 12 Traditions and the 12 Concepts for Service, and how an individual can become more involved.

It is suggested that a GSR serve for a period of two (2) years. The first year is spent as GSR Alternate, working closely with the existing GSR, learning the duties of office and taking over if the GSR is absent or cannot continue to serve. The second year, the GSR Alternate takes over the position of GSR, taking on the full responsibilities and functions of the position and, in turn, is assisted by a newly elected GSR Alternate.

This 'apprentice' system serves two purposes: first, it helps provide a continuity of service which never leaves the group unrepresented; and, secondly, the year spent as GSR Alternate provides the training necessary for a good GSR.

The election of a good GSR and GSR Alternate is probably the most important thing that a group can do for the unity of NA.

The role of the GSR is not a simple one, nor is it to be taken lightly. In choosing a representative, it is important to remember that the GSR is the voice and ears of the Group at the Area level. To keep the Group well represented and well informed it is suggested that candidates for GSR have the following qualifications:

2.1.A. Suggested Qualifications for GSR

1. The willingness and desire to serve.
2. A minimum of one year of continuous recovery.
3. Active participation in the group they are to serve.
4. A good working knowledge of the 12 Steps, 12 Traditions, 12 Concepts for Service, and regular meeting attendance.
5. An understanding of the service structure of NA and the responsibilities of the GSR position.

2.1.B. GSR Attendance and Participation

1. Attend all Area Service Committee (ASC) meetings.
2. Attend Area and/or Regional forums, workshops and ad hoc's.
3. All GSRs are encouraged to participate on at least one area Subcommittee.
4. Act as an advocate for the good of NA as a whole, not just the group.

The suggested requirements for GSR Alternate are the same as those for GSR, except for a minimum of six months of continuous recovery. The GSR Alternate should attend all ASC meetings with the GSR and participate on Subcommittees. (See Voting Procedures, 4.5)

These qualifications are not hard and fast rules, but some of the things a Group should consider when selecting representatives.

The GSR, as described, is the Group's link to the rest of NA. It is suggested that when holding elections for GSR and GSR Alternate, that the description of the position and the suggested qualifications for nominees be read from the Guide to Local Service (GTLs page 47) or IP#2 The Group Booklet.

624 or GSR Alternate must attend the next two (2) scheduled ASC meetings.
 - 625 **3.** A quorum at all ASC meetings shall consist of a simple majority of all Groups active
626 (voting) within the Southwest Area, but not less than 51%. All votes involving matters,

637 affecting the entire Southwest Area) the Chairperson may refer the matter back to the
638 Groups for further discussion and direction. Each group has only one vote.
 - 639 **7.** A phone vote may be taken outside the confines of the regular ASC meeting upon the
640 Chairperson or Vice Chairperson being apprised of a matter which requires immediate
641 attention. Quorum shall be calculated from all voting meetings. A record of the date, the
642 motion, each GSR contacted, the vote and the outcome of the vote must be kept and
643 entered into the minutes of the next regular ASC meeting.
644

645 **4.6 Election Procedures**

4.7 Financial Procedures

1. The ASC shall maintain funds in a Prudent Reserve and conduct its financial business from funds held in an Operating Reserve. These monies shall be maintained in a single checking account but reported separately by the area Treasurer.
2. The Prudent Reserve is an amount held in reserve for emergencies or occasions when the ASC exhausts the funds within its Operating Reserve. The amount of the prudent reserve shall be \$600. The Treasurer will inform the ASC immediately when it is necessary to use funds from the Prudent Reserve, and all ASC and ASC-funded Subcommittee operating budgets will be suspended until the ASC reaches its prudent reserve. All expenditures, outside of outstanding bills and prior expenditures requiring reimbursement, will require a 2/3 vote.
3. No funds will be added to the Operating Reserve until the Prudent Reserve is fully restored to its cap.
4. The Operating Reserve is a capped, or limited, amount of funds which serves as the ASC's operating capital. The Operating Reserve shall be \$1,500, which includes the \$600 Prudent Reserve. The Operating Reserve serves to provide a mark beyond which funds should be prudently donated to the California Inland Region of NA (CIRNA) and NA World Services (NAWS).
5. On a quarterly basis, the ASC shall donate 100% of the funds above its Operating Reserve to CIRNA and NAWS, quarterly in January, April, July and October.

NOTE: All quarterly donations shall be divided between CIRNA and NAWS, with 75% of the funds flowing to CIRNA, and 25% to NAWS.

6. A donation to CIRNA and/or NAWS may be made at any ASC meeting throughout the year, requiring a seconded motion and a 2/3 vote.
7. On a yearly basis, at its November meeting, the ASC shall review its Prudent Reserve and Operating Reserve, and adjust these caps as needed. Changing the Prudent Reserve and/or Operating Reserve requires a 2/3 vote.
8. If two (2) ASC Officers live at the same residence, then only one may have signing authority on any ASC or Subcommittee bank account.
9. Two (2) signatures shall be required on all checks written on ASC and Subcommittee accounts.
10. No personal checks will be accepted by the Treasurer at the ASC.
11. In January and July, audits shall be conducted of the ASC, LDO, and Subcommittees with checking accounts and their inventories. The December audit shall be conducted after elections are held and include outgoing and incoming officers. The ASC Chair or Vice Chair, and ASC Treasurer or Vice Treasurer should participate in all audits
 - a. ASC Chair will give a detailed written report to the ASC on the results of each audit.

4.8 Procedures for Dealing with Misappropriation of NA Funds or Property

Misuse or Misappropriation of NA funds will not be tolerated. The following is an outline of the process that will be followed if a misappropriation is suspected and or reported:

1. An immediate and thorough review of all books and financial records shall be conducted by committee members (as specified in Financial Procedures for Audits) to make sure the funds were actually misappropriated.
2. What was the amount misappropriated?
3. Who misappropriated the money?
4. What failing in the accounting procedures and safeguards allowed this to happen?
5. A special meeting of the ASC shall be convened within seven days of the confirmation of the misappropriation. The format of the special meeting shall allow sufficient time for everyone involved to express their concerns. Everyone is encouraged to focus on spiritual principles, while deciding on the best course of action.
6. The individual(s) accused of the misappropriation of funds shall be informed of the meeting and given the opportunity to present their point of view.
7. If the individual(s) does not appear at the special meeting, the ASC shall ensure that every effort to contact the person(s) has been made.
8. The committee shall use certified mail and send a letter explaining that an audit of financial records has been performed, that facts show the individual(s) is responsible for the missing money, that repayment is expected, and what the consequences will be if the individual(s) does not respond to the letter.
9. Copies of the letter shall be kept with a member of the Executive Body for further reference.
10. If the individual(s) admits to the misappropriation and agrees to pay back the missing funds, a restitution agreement shall be developed. Legal advice may be sought if needed.
11. Such an agreement can include regular payments at any interval acceptable to all involved until the full amount is repaid, though it is best to not drag out the process.
12. The individual(s) shall be informed that, if the restitution agreement is not adhered to, the committee may take legal action based on the signed and witnessed restitution agreement.
13. Regular reports on the status of the restitution agreement shall be reported to the ASC until the agreement is satisfied.
14. Copies of the restitution agreement shall be kept with a member of the Executive Body for further reference.
15. If the individual(s) refuses to repay the money or agrees to a plan but does not follow it, or if the person(s) has disappeared, it may be appropriate to take legal action.
16. The decision to take legal action is an option that does not compromise traditions or spiritual principles, but should be a last resort, opted for only when everything else has been tried.
17. The decision to prosecute shall be thoroughly explored before going ahead, using area and/or Regional Service Committees, the WSB, and the WSO as resources.
18. Should the Area decide to take legal action, requiring 2/3 vote, the ASC Chairperson is to be the single point of accountability, named as plaintiff on behalf of SASCNA (Southwest Area Service Committee of Narcotics Anonymous)
19. Balancing spirituality with responsibility, the individual(s) shall be removed from their service position and shall not be considered for another position until they have made restitution.
20. A printed report about the situation shall be provided to all ASC participants, and regular reports on the status of the situation shall be maintained until this matter has been resolved. Protecting the identity of the person(s) involved is secondary to being accountable to the fellowship for its funds.

THE TWELVE TRADITIONS OF NARCOTICS ANONYMOUS

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority – a loving God as he may express Himself in our group conscience. Our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose – to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

THE TWELVE CONCEPTS FOR NA SERVICE

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.
